SUBJECT: APCD Hearing Board Nominating Committee

RECOMMENDATION:

Select five members of the Board to serve on the APCD Hearing Board Nominating Committee during calendar year 2011.

DISCUSSION:

On February 15, 1996, your Board adopted a resolution to annually establish a standing, five member Hearing Board nominating committee, with a representative from each supervisorial district, which would make nominations for appointment to the APCD Hearing Board.

At this time, your Board is requested to select the committee to serve during calendar year 2011. The previous nominating committee consisted of Kathleen Reddington (First District), Edward Easton (Second District), Doreen Farr (Third District), Cecilia Martner (Fourth District), and Larry Lavagnino (Fifth District). The term of two Hearing Board members: David Van Mullem, Jr., a Public representative; and Robert Saperstein, the Legal representative are scheduled to expire in August 2011.
