Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

CONTACT: Brian Shafritz, Technology and Environmental Assessment Division Manager
(961-8823)

SUBJECT: New Federal Ozone Standard

RECOMMENDATION:

Receive and file an update on the new federal eight-hour standard for ground-level ozone.

DISCUSSION:

The U.S. Environmental Protection Agency intends to issue a new federal eight-hour standard for ground-level ozone. The Board will be updated on the new standard if it is issued prior to the scheduled Board meeting.
