## Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

CONTACT: Mary Byrd, 805-961-8833

SUBJECT: District Representation at Santa Barbara County Education Office Grant Recognition Event

---

### RECOMMENDATION:

Designate one Board member or the Air Pollution Control Officer or his designee to attend the Santa Barbara County Education Office Grant Recognition Celebration on February 17, 2011.

### DISCUSSION:

The Air Pollution Control District supports the Teachers Grants Program of the Santa Barbara County Education Office. This year the District has partnered again with the Education Office and the Southern California Gas Company on a mini-grants program for teachers to do projects that either reduce the school's energy use, or reduce vehicle traffic and associated pollution at the school site. Twenty-one teachers at seven school districts in the county will receive grants of \$200 each.

Grant recipients will be honored at a Grants Recognition Dinner scheduled for Thursday, February 17, 2010, at 5:30 p.m., at the Santa Ynez Valley Marriott in Buellton. In the past the Board has designated a representative to attend the recognition dinner to congratulate award recipients.
