SUBJECT: Santa Barbara County Education Office Grant Recognition Event

RECOMMENDATION:

Receive and file information about the Santa Barbara County Education Office Grant Recognition event on February 23, 2012.

DISCUSSION:

The Air Pollution Control District supports the Teachers Grants Program of the Santa Barbara County Education Office. This year the District has partnered again with the Education Office and others, including the Pacific Gas & Electric Company, on a mini-grants program for teachers to do projects that either reduce the school's energy use, or reduce vehicle traffic and associated pollution at the school site.

This year, twenty-eight teachers at schools in Cuyama, Lompoc, Santa Maria, Orcutt, Santa Ynez, Goleta, Santa Barbara and Carpinteria will receive grants of \$200 each.

Grant recipients will be honored at a Grants Recognition Dinner scheduled for Thursday, February 23, 2012, at 5:30 p.m., at the Santa Ynez Valley Marriott in Buellton. District Director Dave Van Mullem will be attending; all Board members are invited to attend to congratulate award recipients.
