Grant Program Funding

Grant Fund Source	Program Origin and Sunset	Amount	Project Types (examples)
State Carl Moyer (tire sale fees)	AB 1571 (1999) Funding Sunsets January 1, 2015	\$480,000/yearly	-Agriculture equipment (tractors /water pumps) -Fishing vessels
State Motor Vehicle Fees (\$2 registration surcharge)	AB 923 (2004) Funding Sunsets January 1, 2015	\$660,000/yearly	-Old car buy back -School bus replacement
Local (mitigation fees)	Past permit actions & MOU with SLOAPCD No end-date	\$130,000 total balance	-EV charging stations -Offroad equipment

Program Reauthorization

- Funds for clean air projects (Moyer and DMV) run out in 2015 if State fails to take action
 - District would lose over \$1 million in grant funding per year
 - Loss of financial assistance to local operators
 - 30 tons/year of future pollutant reductions lost
- CAPCOA confident that reauthorization will occur – leading diverse coalition

CAPCOA Leading Coalition

Pending Legislation

- SB 11 (Pavley) and AB 8 (Perea)
 - Similar provisions; would extend Moyer and DMV fees/programs to January 2024
- SB 11 passed Senate floor
 - passed Assembly Natural Resources Committee Aug. 12 , 2013. Next to Appropriations Committee
- AB 8 passed Assembly floor
 - Senate Transportation and Housing Aug. 20, 2013
- Reconciliation of bills expected mid-September

Carl Moyer Program

- In 15th funding year to reduce pollution from diesel engines
- To date, Santa Barbara County awarded \$6 million toward project grants
 - Reduced 1200 tons of emissions in SB County
 - Removed 130 high-polluting diesel engines from operation

Carl Moyer Program (cont'd)

- District funds on a 1st come, 1st serve basis – accepts applications year-round
- Moyer funding has declined and now only supports about 5-10 projects per year
- District evaluating alternative approaches for processing Moyer grant applications
