### SECTION 3. OVERTIME

#### Exempt Classifications

- A. The District shall determine and identify those classifications which are exempt from overtime compensation. The determination shall be in accordance with the requirements of the Fair Labor Standards Act. Classifications, which have been designated as exempt, shall not receive overtime, except as otherwise provided or in an emergency as provided below.
- B. Regular employees in classifications exempt from overtime compensation and, therefore, not otherwise eligible for overtime pursuant to this resolution shall be paid for excess time worked during an emergency as follows:

  2. The proclamation of a “state of emergency” in Santa Barbara County by the Governor.
  3. The designation of a “limited local emergency” by the APCO or his/her designee. “Limited local emergencies” may be designated in writing by the APCO or his/her designee due to significant or lengthy emergency situations in Santa Barbara County, or outside the County during mutual aid responses that require ongoing staff support.

Non-Exempt Classifications

- D. Overtime for non-exempt employees shall be defined as any time worked in excess of forty (40) hours in the employee’s regularly scheduled work period, exclusive of standby. Overtime shall be authorized in advance by the division manager or his/her designee.
- E. Overtime work is compensable at the rate of time and one-half the regular rate as computed in accordance with the Fair Labor Standards Act. Hours worked shall accrue in tenths (1/10) of an hour (6 minutes) and shall be subject to a minimum of two-tenths (2/10) of an hour (12 minutes).
- F. Overtime shall be placed in a compensatory overtime account or paid in the pay period in which earned, at the discretion of the employee. The maximum hourly accrual in this account shall be 240 hours.

- H. Except upon termination of employment, hours in the Compensatory Overtime account as of pay periods 4 and 19 shall be paid off in cash based on the employee’s regular hourly rate of pay in effect at the time of payment. SECTION 4. SICK LEAVE

- A. Each regular full-time or regular part-time management or confidential-unrepresented employee shall accrue sick leave at the rate of .0463 hours for each hour in a regular pay or paid leave status, excluding overtime, call back and standby.

- B. Management and confidential-unrepresented employees shall receive eighty (80) hours sick leave accrual upon appointment or such prorated amount for regular part-time employees. Employees entering management or confidential-unrepresented classes from District non-management or non-confidential classes shall retain their current sick leave balances and shall only receive additional sick leave accrual necessary to provide a balance of eighty (80) hours sick leave. Notwithstanding the above, persons who leave District service for reasons other than layoff and are subsequently reappointed within one year of separation are not eligible for sick leave credit under this provision.
- C. Unused sick leave shall be cumulative from year to year with no accrual limit.
- D. Sick leave may not exceed each employee's accrued sick leave balance reported on the Leave Report at the end of the prior pay period immediately preceding the pay period in which the leave is taken. However, the salary of an exempt employee shall not be subject to reduction because of variations in the quality or quantity of work performed except in accordance with the Department of Labor regulations (29 C.F.R. Section 541.602).
- E. A division manager, or other appropriate authority, may require evidence in the form of a physician's certificate, or otherwise, of the adequacy of the reason for any employee's absence during the time for which sick leave was requested. Under no circumstances is sick leave to be used in lieu of, in addition to, or as vacation. The District may require a physician's certificate in order to determine correctness of payroll records.
- F. When a member of his/her immediate family is seriously ill or injured and requires the employee's presence and attendance, an employee may be allowed by the appointing authority to use accumulated sick leave to attend such family in accordance with the Family Medical Leave Act and California Labor Code Section 233.
- G. The District shall authorize six (6) days of bereavement leave of absence with pay to an employee due to the death of an immediate family member. Bereavement leave shall not be authorized more than two times per calendar year. Authorized bereavement leave under this article shall not be charged against an employee's accrued sick or vacation balances.
- H. Up to a maximum of five (5) days of accumulated sick leave may be granted by the appointing authority or his/her designee to an employee for absence from duty because of any and each death in the employee's immediate family. This is in addition to item 4-G above.
- I. For the purposes of Paragraphs 4-G and 4-H above, "immediate family" is defined as husband, wife, parent, brother, sister, child, stepchild, grandparent, grandchild, and mother-in-law, father-in-law, or domestic partner of the employee.
- J. An employee may, when necessary and at the discretion of the APCO, be granted up to two hours leave with pay to make voluntary non-remunerated blood donations to non-profit blood banks in the County. Time off in excess of two hours and up to an additional two hours may be used for this purpose, but such additional time off shall be charged to accumulated sick leave. Leave for the purpose of donating blood shall not exceed five times in any one calendar year.
- K. Each regular full-time or regular part-time management or confidential-unrepresented employee with an Accumulated Unused Sick Leave balance in excess of 240 hours as of September 17, 1978, is eligible for sick leave payoff in accordance with the following provisions. Upon termination of employment from District service by resignation or retirement in good standing, 50% of the value of the Eligible Accumulated Unused Sick Leave hours will be paid at the employee's hourly rate in effect as of September 17, 1978. Eligible Accumulated Sick Leave hours are defined as the Accumulated Unused Sick Leave hours between 240 and 960 hours reported as of September 17, 1978, or if less, the hours reported at the time of termination.

- L. Any payment made under Paragraph K will be made only once to an employee in his/her work history with the District upon honorable termination of employment. If an employee is subsequently rehired in the service of the District, incentive payment for Unused Sick Leave will not be applicable, and previous balances paid off upon termination will not be restored.
- M. Except upon layoff, termination of District employment shall abrogate all sick leave accrued to the time of such termination, regardless of whether such person subsequently re-enters District employment or service. Except as provided in Paragraph K, no payment shall be made to any employee for unused sick leave accumulated to his credit at the time of his termination from District service.

#### SECTION 5. FAMILY LEAVE

Family care leave benefits are applicable to management and confidential-unrepresented employees pursuant to the California Family Rights Act and the Federal Family Medical Leave Act.

#### SECTION 6. LEAVE DONATION

Management and confidential-unrepresented employees shall be eligible to participate as donors and recipients in the leave donation program, in accordance with existing policy guidelines. This program allows regular District employees to donate the monetary value of accrued vacation, holiday or overtime hours to a specific, eligible employee who has exhausted his/her own available leave balances to bond with a child in connection with a birth, adoption, or foster care placement of a child or due to an employee's own serious illness or injury, or the serious or catastrophic injury or illness of their spouse, child, parent, registered domestic partner (as defined by AB 205) or domestic partner's child. Serious or catastrophic illness or injury is defined as the employee's own adverse medical condition or a similarly debilitating illness or injury of the employee's spouse, child, parent, registered domestic partner (as defined by AB 205), or domestic partner's child requiring the employee's attendance, which requires the employee to be absent from work for more than twenty (20) consecutive work days, or less than twenty (20) consecutive work days, based on APCO approval, on a case-by-case basis.

#### SECTION 7. ADMINISTRATIVE LEAVE

Management and confidential employees in classifications exempt from overtime compensation are eligible for administrative leave in accordance with the following provisions:

- A. Management and other salaried employees are compensated for meeting the requirements and performing the duties of their job regardless of the number or scheduling of hours worked. Such employees may be required periodically or routinely to work long or irregular hours, and to attend various meetings and functions outside of normal "business hours" to fulfill their responsibilities.

Due to standards of public accountability and the resulting need for all employees to account for all time for which they are compensated, the District has created a vehicle to record paid time off not charged to accrued leave balances when a salaried employee occasionally works less than his/her regular schedule. This paid time off is called administrative leave. The purpose of administrative leave is to provide a process for authorized leave time to record amounts to be paid to salaried employees when their pay period total regular hours plus any use of vacation, holiday or sick leave is less than their normal full time schedule (80 hours).

- B. Salaried employees do not have a right to administrative leave. This leave is not an entitlement, it is not related to hours worked nor is subject to accrual or payment for unused leave. Use is completely discretionary, upon the approval of the APCO.

The APCO may approve his/her own use as well as that of their staff. The APCO may approve administrative leave in recognition of extraordinary work assignments, excessive work time beyond normal work schedules or to reward outstanding individual performance.

Salaried employees, after having recorded any regular, sick leave, holiday and/or vacation taken as appropriate in a pay period, may use administrative leave with the approval of the APCO. The APCO may grant a salaried employee up to 108 hours of administrative leave per payroll year. The APCO, upon written request of the employee, may approve additional administrative leave upon a showing of special circumstances.

#### SECTION 8. MEDICAL, DENTAL AND VISION BENEFITS

- A. Indemnity type and/or Health Maintenance Organization (HMO) or Preferred Provider Organization (PPO) medical and dental plans shall be available to all management and confidential-unrepresented employees.
- B. The District shall contribute \$210.63 semi-monthly toward the cost of the premium for employee-only medical plan coverage. The District shall contribute \$19.44 semi-monthly toward the cost of the premium for employee-only dental plan coverage. This contribution is based on full-time employment; part-time employees shall receive a prorated contribution based on their percentage of full-time employment. The employee, through payroll deductions, shall pay insurance plan premiums that exceed the District's semi-monthly contribution.
- C. As available, employees may select coverage from the following options:

##### Medical

- Health Maintenance Organization (HMO) Medical Plan
- Preferred Provider Organization (PPO) Medical Plan

##### Dental

- Indemnity Dental Plan
- HMO Dental Plan

Employees may insure their eligible dependents under one of the available medical and dental plans in accordance with the rules and regulations applicable to obtaining said dependent coverage.

- D. A Vision insurance plan shall be available to all management and confidential-unrepresented employees. The District shall provide employee-only vision coverage at no cost to the employee. The employee may elect dependent coverage for an additional premium, paid by the employee through payroll deductions.
- E. If two regular District employees are married to each other and are both eligible for contributions from the District toward employee-only medical and dental coverage, they may consolidate the District's contributions toward the premium cost for "employee plus two or more dependents" coverage held by one of the employees. In this situation, one employee (referred to below as the "spouse") becomes a dependent on the other employee's (referred to below as the "primary employee") medical and dental coverage.

In order to be eligible under this provision, all of the following conditions must be met:

- Both employees are covered by the same medical and dental plan;
- The spouse is insured as a dependent on the primary employee's medical and dental plan insurance;

- The spouse has waived employee-only coverage;
- Both employees have authorized the consolidation of contributions on a form prescribed by the District.

The amount of the consolidated contributions shall be that amount which would otherwise be contributed by the District toward the employee's and the spouse's employee-only premiums for the respective medical and dental plans.

- F. While on an approved medical and/or pregnancy leave, an employee will continue to be covered by APCD's group health insurance to the same extent that coverage is provided while the employee is on the job for a period not to exceed 12 months. This coverage will continue to the extent the employee continues to meet eligibility requirements as set forth in the Health Benefits Group Agreement(s) and/or Evidence of Coverage document(s), and in accordance with State and Federal leave laws. In the event an employee no longer meets eligibility requirements under a plan, the APCD will send a written notice to the employee informing them of their status and available options (such as COBRA rights). An employee will also continue to be covered under APCD's non-health benefit plans in the same manner.

In order for the coverage to be maintained, employees must make the appropriate contributions for continued coverage under the preceding health and non-health benefit plans by payroll deductions or by direct payments to the Fiscal Division for these plans. For each benefit plan an employee is enrolled in, APCD will inform the employee of the amount owed to APCD to continue coverage.

An employee's coverage for a particular plan may be canceled if he/she is more than 30 days late in making a premium payment. The cancellation date will be retroactive back to the last covered date for which the employee paid. Employee contribution rates are subject to any changes in premiums that occur while the employee is on leave. Payment of benefit cash allowances is prorated based on the amount of accrued leave balances used each pay period, and if an employee is in a paid leave status, accrued leave may be used to pay employee benefit premiums due as provided in APCD policies. In order to avoid loss of benefits, arrangements for direct payments to the Fiscal Division should be made as soon as the leave period is known. If coverage is canceled during the leave, an employee may not be able to re-enroll until the next open enrollment period for the canceled plan.

#### SECTION 9. FLEXIBLE SPENDING ACCOUNT PLAN

- A. All management and confidential-unrepresented employees shall be eligible to participate in the District sponsored Flexible Spending Account Plan. Said plan shall be administered in compliance with Section 125 of the Internal Revenue Code.

The Flexible Spending Account Plan will include the following salary reductions:

reduction amounts are included in base salaries for the purpose of computing retirement earnings and are subject to appropriate Internal Revenue Service regulations.

This plan may be amended in the future to revise the benefit options.

- B. Benefits selected under this plan cannot be changed during the plan year except for a change in family status consistent with the benefit change. Enrollment in the plan shall be offered on an annual basis at the beginning of the plan year. New employees may enroll within the first thirty (30) days of employment with eligibility beginning the first day of the month coinciding with or following date of hire. Continued operation of the Program shall be subject to District administrative procedures.

#### SECTION 10. CAFETERIA DOLLARS

- A. The District shall continue to provide each full-time employee a biweekly allowance as provided below, designated as "Cafeteria Dollars." Regular part-time employees are eligible for this allowance based on a prorated equivalent of their employment status. Employees may also use these dollars to fund options in the Flexible Spending Account Plan and/or receive the remainder in cash.
