Board Agenda Item

TO: Air Pollution Control District Board

FROM: Dave Van Mullem, Air Pollution Control Officer

CONTACT: Brian Shafritz (961-8823)

SUBJECT: Agreement with UCSB Office of Financial Aid and Scholarships

RECOMMENDATION:

- 1) Authorize the Chair to sign the attached agreement with the University of California Regents/University of California at Santa Barbara Office of Financial Aid and Scholarships for students to work part-time at the District; and
- 2) Authorize the Air Pollution Control Officer to sign one 3-year renewal of the attached on the same terms and conditions.

DISCUSSION:

The District over the past ten years has employed University of California at Santa Barbara (UCSB) students on a part-time basis through the UCSB Work-Study office, with partial funding from federal work-study funds. Recent changes to the agreements with participating organizations were initiated by UCSB, and the attached agreement is ready for signature. The attached document has been reviewed and approved by the District Counsel, the Santa Barbara County Executive Office Risk Manager, the UCSB Risk Management Administrator, the UCSB Contracts Office, and the UCSB Office of Financial Aid and Scholarships.

The term of the proposed Agreement runs until June 30, 2017. The Board is requested to delegate to the Control Office the authority to renew the contract one-time for an additional term of three (3) years on the same terms and conditions.
