The Administrator may establish a minimum deferral amount, and may change such minimums from time to time. 3.3 Special Section 457 Catch-up Limitation If the applicable year is one of a Participant's last 3 calendar years ending before the year in which the Participant attains Normal Retirement Age and the amount determined under this Section 3.3 exceeds the amount computed under Sections 3.1 and 3.2, then the Annual Deferral limit under this Section 3 shall be the lesser of:

(a) An amount equal to 2 times the Section 3.1 Applicable Dollar Amount for such year, or

(b) The sum of

(1) An amount equal to (A) the aggregate Section 3.1 limit for the current year plus each prior calendar year beginning after December 31, 2001 during which the Participant was an Employee under the Plan, minus (B) the aggregate amount of Compensation that the Participant deferred under the Plan during such years, plus

(2) An amount equal to (A) the aggregate limit referred to in section 457(b)(2) of the Code for each prior calendar year beginning after December 31, 1978 and before January 1, 2002 during which
the Participant was an Employee (determined without regard to Sections 32 and 33), minus (B) the aggregate contributions to Pre-2002 Coordination Plans for such years.

However, in no event can the deferred amount be more than the Participant’s Compensation for the year.

3.4 Special Rules. For purposes of this Section 3, the following rules shall apply:

(a) Participant Covered By More Than One Eligible Plan. If the Participant is or has been a participant in one or more other eligible plans within the meaning of section 457(b) of the Code, then this Plan and all such other plans shall be considered as one plan for purposes of applying the foregoing limitations of this Section 3. For this purpose, the Administrator shall take into account any other such eligible plan maintained by the Employer and shall also take into account any other such eligible plan for which the Administrator receives from the Participant sufficient information concerning his or her participation in such other plan.

(b) Pre-Participation Years. In applying Section 3, a year shall be taken into account only if (i) the Participant was eligible to participate in the Plan during all or a portion of the year and (ii) Compensation deferred, if any, under the Plan during the year was subject to the Basic Annual Limitation described in Section 3.1 or any other plan ceiling required by section 457(b) of the Code.

(c) Pre-2002 Coordination Years. For purposes of Section 3.3(b)(2)(B), “contributions to Pre-2002 Coordination Plans” means any employer contribution, salary reduction or elective contribution under any other eligible Code section 457(b) plan, or a salary reduction or elective contribution under any Code section 401(k) qualified cash or deferred arrangement, Code section 402(h)(1)(B) simplified employee pension (SARSEP), Code section 403(b) annuity contract, and Code section 408(p) simple retirement account, or under any plan for which a deduction is allowed because of a contribution to an organization described in section 501(c)(18) of the Code, including plans, arrangements or accounts maintained by the Employer or any employer for whom the Participant performed services. However, the contributions for any calendar year are only taken into account for purposes of Section 3.3(b)(2)(B) to the extent that the total of such contributions does not exceed the aggregate limit referred to in section 457(b)(2) of the Code for that year.

(d) Disregard Excess Deferral. For purposes of Sections 3.1, 3.2 and 3.3, an individual is treated as not having deferred compensation under a plan for a prior taxable year to the extent Excess Deferrals under the plan are distributed, as described in Section 3.5. To the extent that the combined deferrals for pre-2002 years exceeded the maximum deferral limitations, the amount is treated as an Excess Deferral for those prior years.

3.5 Correction of Excess Deferrals. If the Annual Deferral on behalf of a Participant for any calendar year exceeds the limitations described above, or the Annual Deferral on behalf of a Participant for any calendar year exceeds the limitations described above when combined with other amounts deferred by the Participant under another eligible deferred compensation plan under section 457(b) of the Code for which the Participant provides information that is accepted by the Administrator, then the Annual Deferral to the extent in excess of the applicable limitation (adjusted for any income or loss in value, if any, allocable thereto), shall be distributed to the Participant.

3.6 Protection of Persons Who Serve in a Uniformed Service. An Employee whose employment is interrupted by qualified military service under Code section 414(u) or who is on a leave of absence for qualified military service under Code section 414(u) may elect to make additional Annual Deferrals upon resumption of employment with the Employer equal to the maximum Annual Deferrals that the Employee could have elected during that period if the Employee’s employment with the Employer had continued (at the same level of Compensation) without the interruption or leave, reduced by the Annual Deferrals, if any, actually made for the Employee during the period of the interruption or leave. This right applies for five years following the resumption of employment (or, if sooner, for a period equal to three times the period of the interruption or leave).
SECTION 4 - INVESTMENT RESPONSIBILITIES

4.1 Investment of the Deferred Amount Each Participant shall direct the investment of amounts held in his or her Account Balance under the Plan among the investment options of the Trust Fund. The investment of amounts segregated on behalf of an alternate payee pursuant to a Plan Approved Domestic Relations Order may be directed by such alternate payee to the extent provided in such order. In the absence of such direction, such amounts shall be invested in the same manner as they were immediately before such segregation was made on account of such order. Each Account Balance shall share in any gains or losses of the investment(s) in which such account is invested.

4.2 Amendment of Investment Election A Participant may amend his or her statement of investment election at such times and by such manner and form as prescribed by the Administrator. Such amendment will, unless specifically stated otherwise, apply only to future amounts deferred under the Plan.

4.3 Investment Changes A Participant may elect to transfer amounts in his or her Account Balance among and between those investments available under the Trust Fund at such times and by such manner and form prescribed by the Administrator, subject further to any restrictions or limitations placed on any investment by the Administrator to be uniformly applied to all Participants.

4.4 Investment Responsibility To the extent that a Participant exercises control over the investment of amounts credited to his or her Account Balance, the Employer, the Administrator, and any other fiduciary of the Plan shall not be liable for any loss which results from such Participant's exercise of control.

4.5 Statements The Administrator will cause to be issued statements periodically to reflect the actual earnings, gains, contributions and losses posted to the Account Balances.

SECTION 5 - DISTRIBUTIONS

5.1 Benefit Distributions At Retirement or Other Severance from Employment Upon attainment of age 70½, retirement or other Severance from Employment (other than due to death), a Participant is entitled to receive a distribution of his or her Account Balance under any form of distribution permitted under Section 5.3 commencing at the date elected under Section 5.2. If a Participant does not elect otherwise, the distribution shall be paid as soon as practicable following Normal Retirement Age or, if later, following retirement or other Severance from Employment and payment shall be made in monthly installments of the minimum annual payments described in paragraph (b) of Section 5.3.

5.2 Election of Benefit Commencement Date A Participant may elect to commence distribution of benefits at any time after retirement or other Severance from Employment by a notice filed at least 30 days before the date on which benefits are to commence. However, in no event may distribution of benefits commence later than the date described in Section 5.8.

5.3 Forms of Distribution In an election to commence benefits under Section 5.2, a Participant entitled to a distribution of benefits under this Section 5 may elect to receive payment in any of the forms of distribution selected below.

☐ (a) a lump sum payment of the total Account Balance.

☐ (b) annual installment payments through the year of the Participant's death, the amount payable each year equal to a fraction of the Account Balance equal to one divided by the distribution period set forth in the Uniform Lifetime Table at section 1.401(a)(9)-9, A-2, of the Income Tax Regulations for the Participant's age on the Participant's birthday for that year. If the Participant's age is less than age 70, the distribution period is 27.4 plus the number of years that the Participant's age is less than age 70. At the Participant's election, this annual payment can be made in monthly or quarterly installments. The Account Balance for this calculation (other than the final installment payment) is the Account Balance as of the end of the year prior to the year for which the distribution is being calculated. Payments shall commence on the date elected under Section 5.2. For any year, the Participant can...
elect distribution of a greater amount (not to exceed the amount of the remaining Account Balance) in lieu of the amount calculated using this formula.

- (c) a life annuity payable during the lifetime of the Participant or his/her Beneficiary,

- (d) a life annuity with period certain guaranteed payable during the lifetime of the Participant or his/her Beneficiary with the guarantee that if at his/her death payments have not been made for the guaranteed period as elected, payments will continue to the Beneficiary. The guaranteed period to be elected must be either 10, 15 or 20 years, or

- (e) a joint and survivor annuity payable during the lifetime of the Participant and a secondary payee named by the Participant

Payments made under (c), (d) or (e) above shall be made in the form of an irrevocable annuity which provides payments each calendar year of amounts not less than the amount required under Section 401(a)(9) of the Code.

5.4 Death Benefit Distributions Commencing in the calendar year following the calendar year of the Participant's death, the Participant's Account Balance shall be paid to the Beneficiary in a lump sum.

Alternatively, if the Beneficiary with respect to the Participant's Account Balance is a natural person, at the Beneficiary's election, distribution can be made in annual installments (calculated in a manner that is similar to installments under Section 5.3) or, if selected under Section 5.3, in the form of an irrevocable annuity with the distribution period not longer than that which is determined under this paragraph. If the Beneficiary is the Participant's surviving spouse, the distribution period is equal to the Beneficiary's life expectancy using the single life table in section 1.401(a)(9)-9, A-1, of the Income Tax Regulations for the spouse's age on the spouse's birthday for that year. If the Beneficiary is not the Participant's surviving spouse, the distribution period is the Beneficiary's life expectancy determined in the year following the year of the Participant's death using the single life table in section 1.401(a)(9)-9, A-1, of the Income Tax Regulations for the Beneficiary's age on the Beneficiary's birthday for that year, reduced by one for each year that has elapsed after that year. For any year, a Beneficiary can elect distribution of a greater amount (not to exceed the amount of the remaining Account Balance) in lieu of the amount calculated using this formula.

5.5 Account Balances of $5,000 or Less. If and to the extent elected below, notwithstanding Sections 5.2, 5.3 and 5.4, if the amount of a Participant's Account Balance is not in excess of $5,000 (or the dollar limit under section 411(a)(11) of the Code, if greater) on the date that payments commence under Section 5.3 on or the date of the Participant's death, then payment shall be made to the Participant (or to the Beneficiary if the Participant is deceased) in a lump sum equal to the Participant's Account Balance as soon as practicable following the Participant's retirement, death, or other Severance from Employment.

The Administrator may direct payments under the terms of this Section 5.5 if the Participant's total Account Balance is $1,000 or less.

The Administrator may direct payments under the terms of this Section 5.5 if the Participant's total Account Balance does not exceed $5,000 (or the dollar limit under section 411(a)(11) of the Code, if greater).

5.6 Amount of Account Balance. Except as provided in Section 5.3, the amount of any payment under this Section 5 shall be based on the amount of the Account Balance on the preceding Valuation Date.

5.7 Revocation of Prior Election. Any election made under this Section 5 may be revoked at any time.

5.8 Latest Distribution Date. In no event shall any distribution under this Section 5 begin later than the later of (a) April 1 of the year following the calendar year in which the Participant attains age 70½ or (b) April 1 of the year following the year in which the Participant retires or otherwise has a Severance from Employment. If distributions commence in the calendar year following the later of the calendar year in which the Participant...
attains age 70½ or the calendar year in which the Severance from Employment occurs, the distribution on the
date that distribution commences must be equal to the annual installment payment for the year that the
Participant has a Severance from Employment determined under paragraph (b) of Section 5.3 and an amount
equal to the annual installment payment for the year after Severance from Employment determined under
paragraph (b) of Section 5.3 must also be paid before the end of the calendar year of commencement

5.9 In-Service Distributions From Rollover Account If a Participant has a separate account attributable to
rollover contributions to the plan, the Participant may at any time elect to receive a distribution of all or any
portion of the amount held in the rollover account.

5.10 Unforeseeable Emergency Distribution

(a) Distribution If the Participant has an unforeseeable emergency before retirement or other Severance from
Employment, the Participant may elect to receive a lump sum distribution equal to the amount requested or, if
less, the maximum amount determined by the Administrator to be permitted to be distributed under this
Section 5.10

(b) Unforeseeable emergency defined An unforeseeable emergency is defined as a severe financial hardship
of the Participant resulting from an illness or accident of the Participant, the Participant’s spouse, or the
Participant’s dependent (as defined in section 152(a)), loss of the Participant’s property due to casualty
(including the need to rebuild a home following damage to a home not otherwise covered by homeowner’s
insurance, e.g., as a result of a natural disaster), the need to pay for the funeral expenses of the Participant’s
spouse or dependent (as defined in section 152(a) of the Code), or other similar extraordinary and
unforeseeable circumstances arising as a result of events beyond the control of the Participant. For example,
the imminent foreclosure of or eviction from the Participant’s primary residence may constitute an
unforeseeable emergency. In addition, the need to pay for medical expenses, including non-refundable
deductibles, as well as for the cost of prescription drug medication, may constitute an unforeseeable
emergency. Except as otherwise specifically provided in this Section 5.10, neither the purchase of a home nor
the payment of college tuition is an unforeseeable emergency.

(c) Unforeseeable emergency distribution standard A distribution on account of unforeseeable emergency
may not be made to the extent that such emergency is or may be relieved through reimbursement or
compensation from insurance or otherwise, by liquidation of the Participant’s assets, to the extent the
liquidation of such assets would not itself cause severe financial hardship, or by cessation of deferrals under
the plan.

(d) Distribution necessary to satisfy emergency need. Distributions because of an unforeseeable emergency
may not exceed the amount reasonably necessary to satisfy the emergency need (which may include any
amounts necessary to pay any federal, state, or local income taxes or penalties reasonably anticipated to
result from the distribution).

5.11 Distributions for Certain Account Balances of $5,000 or Less At the direction of the Participant, or,
if elected below, the Administrator, a Participant’s total Account Balance shall be paid in a lump sum as soon
as practical following the direction if (a) the total Account Balance does not exceed $5,000 (or the dollar limit
under section 411(a)(11) of the Code, if greater), (b) the Participant has not previously received a distribution
of the total amount payable to the Participant under this Section 5.11 and (c) no Annual Deferral has been
made with respect to the Participant during the two-year period ending immediately before the date of the
distribution.

☑ The Administrator may direct payments under the terms of this Section 5.11 if the Participant’s total
Account Balance is $1,000 or less.

☐ The Administrator may direct payments under the terms of this Section 5.11 if the Participant’s total
Account Balance does not exceed $5,000 (or the dollar limit under section 411(a)(11) of the Code, if
greater).
5 12 Rollover Distributions

(a) A Participant or the surviving spouse of a Participant (or a Participant's former spouse who is the alternate payee under a domestic relations order, as defined in section 414(p) of the Code) who is entitled to an eligible rollover distribution may elect, at the time and in the manner prescribed by the Administrator, to have all or any portion of the distribution paid directly to an eligible retirement plan specified by the Participant in a direct rollover.

(b) For purposes of this Section 5 12, an eligible rollover distribution means any distribution of all or any portion of a Participant's Account Balance, except that an eligible rollover distribution does not include (a) any installment payment under Section 5 3 for a period of 10 years or more (b) any distribution made under Section 5 10 as a result of an unforeseeable emergency, or (c) for any other distribution, the portion, if any, of the distribution that is a required minimum distribution under section 401(a)(9). (b) For purposes of Section 6 1(a), an eligible rollover distribution means any distribution of all or any portion of a Participant's benefit under another eligible retirement plan, except that an eligible rollover distribution does not include (1) any installment payment for a period of 10 years or more, (2) any distribution made as a result of an unforeseeable emergency or other distribution which is made upon hardship of the employee, or (3) for any other distribution, the portion, if any, of the distribution that is a required minimum distribution under section 401(a)(9) of the Code. Such a transfer is permitted only if the other plan provides for the direct transfer of each Participant's interest therein to the Plan. The Administrator may require in its sole discretion that the transfer be in cash or other property acceptable to the Administrator. The Administrator may require such documentation from the other plan as it deems necessary to effectuate the transfer in accordance with section 457(e)(10) of the Code and section 1 457-10(b) of the Income Tax Regulations and to confirm that the other plan is an eligible governmental plan as defined in section 1 457-2(f)
of the Income Tax Regulations. The amount so transferred shall be credited to the Participant's Account Balance and shall be held, accounted for, administered and otherwise treated in the same manner as an Annual Deferral by the Participant under the Plan, except that the transferred amount shall not be considered an Annual Deferral under the Plan in determining the maximum deferral under Section 3.

6.3 Plan-to-Plan Transfers from the Plan

(a) At the direction of the Employer, the Administrator may permit a class of Participants and Beneficiaries to elect to have all or any portion of their Account Balance transferred to another eligible governmental plan within the meaning of section 457(b) of the Code and section 1.457-2(f) of the Income Tax Regulations. A transfer is permitted under this Section 6.3(a) for a Participant only if the Participant has had a Severance from Employment with the Employer and is an employee of the entity that maintains the other eligible governmental plan. Further, a transfer is permitted under this Section 6.3(a) only if the other eligible governmental plan provides for the acceptance of plan-to-plan transfers with respect to the Participants and Beneficiaries and for each Participant and Beneficiary to have an amount deferred under the other plan immediately after the transfer at least equal to the amount transferred.

(b) Upon the transfer of assets under this Section 6.3, the Plan's liability to pay benefits to the Participant or Beneficiary under this Plan shall be discharged to the extent of the amount so transferred for the Participant or Beneficiary. The Administrator may require such documentation from the receiving plan as it deems appropriate or necessary to comply with this Section 6.3 (for example, to confirm that the receiving plan is an eligible governmental plan under paragraph (a) of this Section 6.3, and to assure that the transfer is permitted under the receiving plan) or to effectuate the transfer pursuant to section 1.457-10(b) of the Income Tax Regulations.

6.4 Permissive Service Credit Transfers

A transfer under this Section 6.4(a) may be made before the Participant has had a Severance from Employment.

(b) A transfer may be made under Section 6.4(a) only if the transfer is either for the purchase of permissive service credit (as defined in section 415(n)(3)(A) of the Code) under the receiving defined benefit governmental plan or a repayment to which section 415 of the Code does not apply by reason of section 415(k)(3) of the Code.
