SUBJECT: Recognition of the winners of the “Kids Care for Clean Air” 2005 Calendar Contest

---

### RECOMMENDATION:

Recognize the achievements of the winners of the “Kids Care for Clean Air” 2005 Calendar Contest.

### DISCUSSION:

This is the fifth year the Air Pollution Control District and SBCAG Traffic Solutions have organized the “Kids Care for Clean Air” calendar contest. The contest was open to Santa Barbara County kids between the ages of 5 and 12. Winning artwork illustrates the importance of working together for clean air and fun and creative ways to get around without creating air pollution. The cover artist and grand prize winner won a \$100 savings bond donated by Santa Barbara Bank and Trust and a new bicycle donated by Bicycle Bob’s. The monthly winners each received a \$50 savings bond.

Certificates honoring the winners will be presented at the Board meeting.
