Subject: Requesting an update
Date: Monday, July 24, 2017 4:26:30 PM

Dear Mike,

Over the year, we have worked closely with the APCD to attain a permit for our winery expansion in Santa Maria. We submitted comments on the Draft permit 15044 on June 7th expecting to receive a permit to support 2017 harvest and fermentation. Although the Wine Institute has written a letter contesting BACT, CCWS did not challenge the BACT requirement. At this time, we are requesting an update from the District on the status of the issuance of our permit. We have missed the 2017 harvest; this has impacted our business this year but, CCWS still needs to continue to plan for our company's future.

I look forward to hearing from you.

Sincerely,
Marshall Miller
