Board Agenda Item

TO: Air Pollution Control District Board

FROM: Aeron Arlin Genet, Air Pollution Control Officer

CONTACT: Kaitlin McNally, Compliance Manager (805-961-8855)

SUBJECT: Resolution for Delegating Authority to the Air Pollution Control Officer to Enter into and Extend Tolling Agreements

RECOMMENDATION:

Adopt the attached resolution delegating authority to the Air Pollution Control Officer to enter into and extend tolling agreements.

BACKGROUND:

In carrying out the District’s mission, the District’s Compliance Division issues Notices of Violation (NOVs) to individuals, companies, and organizations for violations of air pollution rules, regulations, laws, or District-issued permits. The District operates a Mutual Settlement Program\(^1\) to collect monetary penalties associated with NOVs.

DISCUSSION:

From time to time, it is to the mutual benefit of the District and the NOV recipient to allow additional time to engage in settlement discussions and to potentially reach an agreement without resort to judicial intervention or litigation. The tolling agreement provides for the tolling of any applicable statutes of limitations or similar defenses, to provide for the retention of any legal or equitable actions or defenses that the District and the NOV recipient may have, and to provide

that no legal or equitable action may be initiated by or on behalf of the District and the NOV recipient against one another during the tolling period of the agreement.

Since your Board meets only seven times per year, staff is requesting that the Air Pollution Control Officer (Control Officer) be delegated the authority to enter into tolling agreements in order to ensure timely business needs can be met. This authority is only delegated within the parameters outlined in the attached resolution, namely: the District shall use a tolling agreement provided by District Counsel and substantially similar to the attached form which will be updated periodically; the Control Officer will work with District Counsel to tailor the tolling agreement to the individual facts and circumstances of each case; District Counsel shall review and execute each tolling agreement as to form; and the Control Officer shall provide an annual report to the Board on the tolling agreements entered into under this delegated authority.
