SUBJECT: Minutes of the May 2019 District CAC Meeting

RECOMMENDATION:

Receive and file the attached minutes from the May 1, 2019 meeting of the District Community Advisory Council.

DISCUSSION:

The District Community Advisory Council (CAC) was formed by Resolution No. 94-281 adopted by the Board of Supervisors on May 24, 1994. The CAC is governed by a Charter and By-Laws and its membership consists of members of the community, appointed by individual District Board members. The CAC provides advice to the Air Pollution Control Officer (APCO) and the District Board of Directors in matters related to attainment and maintenance planning, development and promulgation of air pollution control rules and related policy issues. The recommendations of the CAC are advisory in nature and neither the APCO nor the Board is bound by CAC recommendations. The CAC is scheduled to meet the fourth Wednesday of each month, on an as-needed basis when there are matters to be reviewed.

The attached minutes summarize the May 2019 meeting. We provide such minutes to your Board after their approval by the CAC members.
