CONTACT: Lorena Saldana, Executive Assistant/Board Clerk, (805) 961-8853

SUBJECT: Minutes of the December 2020 South Central Coast BCC Meeting

RECOMMENDATION:

Receive and file the attached minutes from the December 3, 2020 meeting of the South Central Coast Basinwide Control Council (BCC).

DISCUSSION:

The Health and Safety Code (Section 40900) requires that each air basin, which is comprised of two or more air pollution control districts, establish a Basinwide Air Pollution Control Council. This council is intended to promote coordination of air pollution control efforts throughout the air basin. The council receives reports on rule development and planning efforts, the anticipated effect of state and federal actions, and other issues of interest.

The South Central Coast BCC typically meets quarterly and consists of one Board Member, appointed by the Air Pollution Control Board, from each of the following Districts: San Luis Obispo County, Santa Barbara County and Ventura County. As you may recall, Director Paula Perotte was reappointed by your Board to represent Santa Barbara County on this Council in 2021.

The attached minutes summarize the December 3, 2020 South Central Coast Basinwide Control Council meeting. The meeting minutes were approved by the BCC at their March 25, 2021 meeting. Once approved, the minutes are provided to your Board.
