Board Agenda Item

TO: Air Pollution Control District Board

FROM: Aeron Arlin Genet, Air Pollution Control Officer 

CONTACT: Lorena Saldana, Executive Assistant/Board Clerk, (805) 979-8282

SUBJECT: Minutes of the July 8, 2024 Special Meeting of the Community Advisory Council

RECOMMENDATION:

Receive and file minutes of the July 8, 2024 special meeting of the Community Advisory Council.

DISCUSSION:

The District Community Advisory Council (CAC) was formed by Resolution No. 94-281 adopted by the Board of Supervisors on May 24, 1994. The CAC is governed by a Charter and By-Laws and its membership consists of members of the community, appointed by individual District Board members. The CAC provides advice to the Air Pollution Control Officer (APCO) and the District Board of Directors in matters related to attainment and maintenance planning, development and promulgation of air pollution control rules and related policy issues. The recommendations of the CAC are advisory in nature and neither the APCO nor the Board is bound by CAC recommendations.

As defined in the CAC B-Laws, the CAC is scheduled to meet the fourth Wednesday of each month, on an as-needed basis when there are matters to be reviewed. Per the CAC By-Laws, if there are no planning or rulemaking matters to discuss, District staff provides quarterly updates to the CAC. The quarterly status updates are available on the [APCD website](#).

Attached is the minute summary of the July 8, 2024 special meeting. This meeting is considered a “special meeting” because a quorum of the CAC was able to meet on a date other than the fourth Wednesday of the month. The CAC approved the meeting minutes at their August 27, 2026 special meeting. The meeting minutes are provided to your Board after the approval by the CAC members.
