Board Agenda Item

TO: Air Pollution Control District Board

FROM: Terry Dressler, Air Pollution Control Officer

SUBJECT: Grant Agreement Approved by Air Pollution Control Officer

RECOMMENDATION:

Receive and file the attached brief summary of the emission-reduction grant agreement approved by the Air Pollution Control Officer for the period of May 4, 2006 through May 31, 2006 in accordance with Board Resolution Number 02-16.

DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$150,000 provided your Board had authorized an overall umbrella program for each type of project. The attached summary sheet describes the one grant approved since our last report.
