

Federal Permit Application for Existing Agricultural Gasoline Tanks

Describe each gasoline tank as per the example below.
(See notes at bottom of the page for more information.)

Equipment Description			
Tank Designation	Tank Size (gallons)	Above-ground or underground?	Annual throughput (gallons)
<i>Example: South Tank One</i>	<i>2,000</i>	<i>Aboveground</i>	<i>20,000</i>
1.			
2.			
3.			
4.			
5.			
6.			
7.			
8.			
9.			
10.			

Attach additional sheets if needed.

Notes: **Annual throughput:** How much gasoline is dispensed from the tank in a calendar year.

Aboveground/Underground: Please state whether the tank is buried underground or mounted above ground.
