

air pollution control district
SANTA BARBARA COUNTY

MEMORANDUM

DATE: March 18, 2020

TO: Air Pollution Control District Board

FROM: Aeron Arlin Genet, Air Pollution Control Officer 

SUBJECT: Board Meeting Agenda Discussion Item H-1: Particulate Matter and Public Health

It has come to our attention that due to the mandatory shelter-in-place requirement, in the Bay Area, resulting from the COVID-19 pandemic, Dr. Phil Martien will not be able to travel to Santa Barbara for the presentation on Particulate Matter and Public Health. Rather than conducting this presentation remotely, I am requesting to withdraw this item from our agenda and to reschedule it for a future Board meeting.
