

RULE 1102. DAILY REPORTING OF AIR QUALITY. (Adopted 9/15/1980, revised 1/21/2010)

The District:

- A. Reports on county air quality in real time on its website, providing information on levels of ozone and particulate matter recorded at county air monitoring stations.
- B. Maintains on its website charts showing exceedances of air quality standards.
- C. Reports the air quality values by using the Air Quality Index (AQI) specified in 40 CFR 58.50.
