**Re: Final Approval of 2018 Air Toxics Emission Inventory Plan VSFB
Air Toxics "Hot Spots" Information and Assessment Act (AB 2588)**

Dear Ms. Harding:

The Santa Barbara County Air Pollution Control District (District) has reviewed your revised Air Toxics Emission Inventory Plan (ATEIP) for inventory year 2018 dated June 11, 2021. Based on our review of this plan and your response to comments, the District approves the revised ATEIP. The modeling parameters and the Air Toxics Emission Inventory Report (ATEIR) submitted on June 11, 2021 are currently under review and will be addressed in a separate letter.

If you have any questions or require additional information, please contact me at CobbsR@sbcapcd.org or (805) 979-8320.

Sincerely,

Robin Cobbs
Engineering Division
