## Board Agenda Item

TO: Air Pollution Control District Board  
FROM: Terry Dressler, Air Pollution Control Officer  
SUBJECT: Grant Agreement Approved by Air Pollution Control Officer

---

### RECOMMENDATION:

Receive and file the attached brief summaries of the emission-reduction grant agreements approved by the Air Pollution Control Officer for the period from June 3, 2004 to October 6, 2004 in accordance with Board Resolution Number 02-16.

### DISCUSSION:

Your Board expanded the authority of the Control Officer to issue grants for emission reduction projects up to \$100,000 provided your Board had authorized an overall umbrella program for each type of project. The attached summary sheets describe the two grants approved since our last report.

Grant – Lower Emission School Bus Program – Particulate Matter (PM)

Dated 7/19/04: Carpinteria Unified School District - \$7,665

Grant – Outboard Engine Repower Program

Dated 8/16/04: Scott Brady, Local Fisherman - \$12,800
