

AIR POLLUTION CONTROL DISTRICT
REGULATORY COMPLIANCE DIVISION

POLICIES AND PROCEDURES

Policy No. III
Supersedes Date _____
Date June 18, 1993

Draft _____
Final X
Pages 1

Topic: Sampling Techniques

Distribution: All Policy Holders

The sampling techniques contained in this section of the policy and procedures are to be followed by all inspectors and engineers. Deviations are discouraged, as any deviation may call into question the consistency and accuracy of the Division's sampling program or may compromise the health and safety of the employee. If any technique requires modification, the appropriate Enforcement Supervisor or Supervising Engineer should be notified and as appropriate, changes will be made.
