

Mobile and Manufactured Home Information

If the project will take place in a mobile or manufactured home you are required to obtain a permit from The California Department of Housing and Community Development (HCD) before the replacement project can begin. Please fill out an [HCD 415 Application](#) and submit it to HCD.

Information required by the HCD 415 Application is found on your HCD Certificate of Title or your HCD Registration Card.

For assistance from HCD

Registration and Titling: 916-323-8356 (English and Spanish options)

ContactRT@hcd.ca.gov

www.hcd.ca.gov/codes/registration-and-titling/

Please note that installation of a new heating device will not be scheduled until all information is received and a permit is secured.
