## FORM AG-3 AG ENGINE CHANGE NOTIFICATION FORM

This Form AG-3 is provided to assist you with compliance with Section 93115.8(c)(3) of the Stationary Diesel Airborne Toxic Control Measure (ATCM). Specifically, the owner or operator of a registered engine shall notify the Home District in writing no later than 14 days after any change of owner or operator, change in location, installation or commencement of an emissions control strategy or replacement with an electric motor or non-compression ignition engine. See the District's policy "Agricultural Engine Registration Engine Location Change Policy Memo" for specific guideline regarding when this Form AG-3 is required for location changes.

**Send the completed Notification Form to the Home District that is listed on the engine's registration.**
