Agriculture Engine ATCM Flowchart

1. Ag Operations?
   - Yes: Diesel Engine Rated over 50 bhp?
     - Yes: Provides Motive (vehicle) Power?
       - Yes: Registration not required. Other future ATCMs may apply
       - No: Registration not required.
     - No: Ag Wind Machine?
       - Yes: Has Dedicated Hour Meter?
         - Yes: Registration Req’d w/ in 90 days of installation or date of District Registration rule, whichever is later. Table 5 Emission Standards apply
         - No: New Engine Installed After March 1, 2008
           - Yes: Engine Used in a Federal Nonattainment Area (e.g., Ventura County)?
             - Yes: Engine Qualifies as “Remote”?
               - Yes: Registration Req’d March 1, 2008. Table 6 and 7 Emission Standards Apply
               - No: Registration not required.
             - No: Registration Req’d March 1, 2008.
           - No: Registration not required.
       - No: In-Use (pre 2005) Engine?
         - Yes: Emergency Standby Genset?
           - Yes: Registration Req’d w/ in 90 days of installation or date of District Registration rule, whichever is later. Table 5 Emission Standards apply
           - No: Registration Req’d March 1, 2008.
         - No: New Engine Installed After March 1, 2008
           - Yes: Engine Used in a Federal Nonattainment Area (e.g., Ventura County)?
             - Yes: Engine Qualifies as “Remote”?
               - Yes: Registration Req’d March 1, 2008. Table 6 and 7 Emission Standards Apply
               - No: Registration not required.
             - No: Registration not required.
           - No: Registration not required.
         - No: In-Use (pre 2005) Engine?
11. Has Dedicated Hour Meter?
   - Yes: Registration Req’d w/ in 90 days of installation or date of District Registration rule, whichever is later. Table 5 Emission Standards apply
   - No: Registration Req’d March 1, 2008.

12. Engine Used in a Federal Nonattainment Area (e.g., Ventura County)?
   - Yes: Engine Qualifies as “Remote”?
     - Yes: Registration Req’d March 1, 2008. Table 6 and 7 Emission Standards Apply
     - No: Registration not required.
   - No: Registration Req’d March 1, 2008.

13. In-Use (pre 2005) Engine?
   - Yes: Registration Req’d March 1, 2008.
   - No: Registration Req’d March 1, 2008.

   - Yes: Engine Used in a Federal Nonattainment Area (e.g., Ventura County)?
     - Yes: Engine Qualifies as “Remote”?
       - Yes: Registration Req’d March 1, 2008. Table 6 and 7 Emission Standards Apply
       - No: Registration not required.
     - No: Registration not required.
   - No: Registration Req’d March 1, 2008.

15. Registration Req’d w/ in 90 days of installation or date of District Registration rule, whichever is later. Table 5 Emission Standards apply

See attachment for footnote (1) – (19) details.
