

## EXHAUST HOOD SUMMARY

When completing this form, please attach an engineering drawing of the fume hood as well as any available manufacturer's data associated with the equipment.

1. Company/Agency Name: \_\_\_\_\_
2. Equipment location: \_\_\_\_\_  
(Street Address and City)  
\_\_\_\_\_  
(Location Within the Facility, ie: Building/Room Number)
3. Fume hood manufacturer: \_\_\_\_\_  
model: \_\_\_\_\_ serial number: \_\_\_\_\_
4. Dimensions of fume hood: (Please indicate the units of measurement)  
\_\_\_\_\_ Height \_\_\_\_\_ Width \_\_\_\_\_ Length \_\_\_\_\_ Fan blade size
5. Exhaust system's electric motor HP rating: \_\_\_\_\_ CFM rating: \_\_\_\_\_
6. Describe the equipment and process for which the fumehood is required:  
\_\_\_\_\_  
\_\_\_\_\_
7. Describe any equipment used for controlling the exhaust stream (e.g., carbon adsorption, scrubber, recondensing, oxidation) and provide manufacturer, model and serial no.:  
\_\_\_\_\_  
\_\_\_\_\_
8. If the fume hood or the equipment served by the fumehood is currently in place and operating, when was the fume hood and the associated equipment installed?  
Fume Hood: \_\_\_\_\_ Assoc. Equipment: \_\_\_\_\_  
(Date of Installation) (Date of Installation)
9. Additional comments: \_\_\_\_\_  
\_\_\_\_\_
10. This form was prepared by: \_\_\_\_\_  
(Type or print name)  
on \_\_\_\_\_.  
(Date) (Signature)  
Phone No. (\_\_\_\_) \_\_\_\_\_
